How do I use my Parking reservation?

At entry do not take a ticket.* Insert your nominated credit card into the entry column. Retrieve your credit card from the entry column. The barrier will open and you may drive into car park and park your vehicle in any available parking space. When exiting, drive to the exit column and insert the same credit card into the machine. The barrier will open. *If you mistakenly take a ticket, leave the car park immediately and enter using your nominated credit card.
