Find the perfect fit,
3 ear gels included

Wearable, Waterproof Stereo Earbuds

You deserve to hear music and calls in comfort, anywhere. That's why there's the new VerveRider+ Wearable, Waterproof Stereo Earbuds. With built-in aptX[®] technology, you get powerful HD sound. Plus, customizable sound profiles let you hear music just the way you like. And with the talk button and integrated mic, you'll handle phone calls effortlessly. They're designed with IP57 water/sweat proof protection, so you can wear them inside on the treadmill or out in the rain without worry. Wherever you go, the contoured collar design is made to fit your body, so it hardly feels like you're wearing them at all. Go ahead, listen to music for up to 12 hours without interruption using your phone, tablet, or computer. VerveRider+. Unplugged, still connected.
