ADDING APP CAM X55/X56/XLIGHT OR GXVR CAMERAS TO AMAZON ALEXA

Overview

To use your App Cam X55/X56/XLight or GXVR cameras with Amazon Alexa, you need to have the following devices and apps set up: Uniden App Cam X55/X56/Xlight camera, or a GXVR system; and an Echo device with screen. You will also need the Amazon Alexa app on your mobile device.

Before you start, ensure your Amazon Alexa and Echo device are setup and working.

Ensure your Uniden device is powered on and connected to the Internet.

Complete setup of your Uniden device using the Guardian 365 Pro app. Ensure your Uniden device is up-to-date with the latest firmware.

Linking Guardian 365 Pro to Amazon Alexa

Step 1. Launch the Amazon Alexa app, sign in your Amazon Alexa account.
