Uniden are renowned for helping people stay connected and now they're taking it a step further with the introduction of the BTHS800 Bluetooth Wireless Headset with Dual Mic Technology. This new Headset is a company first. Ultra-discreet, the top-of-the-line BTHS800 offers dual microphone E2 technology that completely eliminates background noise for crystal clear communication.

The BTHS800 is Full Duplex and offers easy and simple pairing, Automatic connection and also offers Voice Dialling*. The headset can be charged with either an AC Adaptor or a USB cable.

The BTHS800 has multi-point pairing allowing you to connect an audio and mobile phone simultaneously. It is also supported by A2DP for streaming music from Bluetooth-enabled devices, voice dialling, up to 4 hrs Talk Time and 170 Hours Standby Time from a single charge. The BTHS800 model also features a Coverage Range of up to 10 Metres.

The BTHS800 is ideal for iPhones and BlackBerrys and other Bluetooth-enabled phones.

Bringing further innovation to the hands-free communications experience, the new Bluetooth Wireless Headset utilises the latest

noise and echo cancellation technology for enhanced call clarity, as well as Bluetooth 2.1 for faster transmission speeds and lower power consumption.

The stylish BTHS800 is perfect for talking on the go.

Suggested Retail: \$79.95
