Uniden is renowned for helping people stay connected and now they're taking it a step further with the introduction of the BTS150 Bluetooth® Hands-free Music and Speakerphone, allowing you to wirelessly play music.

In its ultra compact size the BTS150 is the perfect accessory for any of the latest Tablets or Mobile Phones as it produces a stunning 6 Watt RMS Power and with dual 35mm high quality drivers with passive radiator subwoofer creates a extreme bass and a rich audio experience in a compact, portable wireless speaker.

Uniden's advanced speakerphone technology virtually eliminates dropouts and echoes for wireless conversations so natural you'll think you're in the same room.

**IDEAL FOR
TABLETS**

Whether you're listening to music or on a conference call, you're always connected with the BTS150.

KEY FEATURES
