Uniden are renowned for helping people stay connected and now they're taking it a step further with the introduction of the BTSC 1500 Bluetooth Hands-free Car Kit. Slim and unobtrusive, the compact unit simply hooks on to the sun visor.

Ideal for iPhones, Blackberrys and other Bluetooth-enabled mobile phones, the stylish BTSC 1500 is perfect for talking on the go with Text to Speech caller ID number announce, voice dialling and up to 15 hours of talk time from a single charge. Numbers are displayed vividly on the bright blue backlit OLED display.

Bringing further innovation to the hands-free communications experience, the new car kit utilises the latest noise and echo cancellation technology for enhanced call clarity, a full duplex speaker phone for true sound reproduction, as well as Bluetooth 2.1 for faster transmission speeds and lower power consumption. Up to two phones can be partnered with the device at the same time.

Suggested Retail: \$79.95
