

**CP200****GSM Dual Band Mobile Phone**PRINT this page EMAIL a friend Range Brochure PDF Operating Manual PDF | [Like 78K](#)

This compact mobile phone has a host of features, yet is so easy to use. It also comes with three different back covers so that you can choose a cover to suit your personality or just change the cover whenever you want a fresh new look.

The phone is ideally suited to a first time mobile phone user or someone that wants a very affordable easy to use phone. Young people or even a more senior person may find this the ideal phone for them. The phone can also take photographs that can be shared via Bluetooth with other uses, has a handy torch, can listen to FM radio, can store 50 contacts in its phonebook and even comes with a Formula 1 game.
