DECT

DIGITAL DECT

Designed and Engineered in Japan. Uniden's DECT 1015 + 1 uses Wireless Friendly DECT Technology. With cutting-edge American DECT 6.0 Technology the DECT 1015 + 1 Cordless Phone System is a reliable choice for any person. The additional handset makes it ideal for those wanting more than one handset in the household.

These digital phones are ideally suited to high density living environments and have a vast array of features suitable for any home. They have enhanced talking range, unique styling and are Wireless (WiFi) network friendly.

The DECT 1015 + 1 has a unique wall mount design which has been designed specifically with wall mounting in mind. Like never before the base unit sits fully flush against the wall, providing a streamlined and contemporary look.

Suggested Retail: \$49.95
