Uniden's 1.8GHz DECT Digital cordless phones are versatile and designed and engineered in Japan for the optimum quality. The DECT 1725 + 1 is ideal for those wanting a digital cordless phone with a variety of features including Handset Conferencing, Intercom / Announce Call Transfer and LCD and Caller ID Display.

The DECT 1725 + 1 comes with an additional handset and charge cradle. The DECT 1725 + 1 has a Backlit Orange Advanced LCD and Caller ID Display which allows for easy viewing. The cordless phone is contemporary in design and would look great in almost any home setting. This phone is Multi Handset Capable, allowing up to 5 handsets to be connected to just one phone socket. The Digital Duplex Speakerphone on the handset makes handsfree communication a breeze.

The DECT 1725 + 1 comes with a Real Time Clock on the handset to keep track of the time when you are on a call, Talk Time of 10 hours and Polyphonic Ringtones. Uniden quality and performance make the DECT 1725 + 1 an outstanding DECT choice.

Suggested Retail: \$99.00
