Designed and engineered in Japan, Uniden's DECT 30xx Series uses the Wireless Friendly DECT technology. This handset has derived from cutting-edge American DECT 6.0 Technology the DECT 30xx Cordless Phone System is nothing but a premium choice.

These futuristic styled phones are ideally suited to high density living environments and have a comprehensive array of features suitable for any home. They have enhanced talking range, unique styling, a large backlit display LCD display and are Wireless (WiFi) network friendly. The digital duplex speakerphone on the handset makes handsfree communication a breeze.

Another brilliant feature of the DECT 3005 is the DND (Do Not Disturb Function), this button allows you to mute the ringer on the handset and the base at once. Ideal for young families and shift workers.

The DECT 3005 also has and ECO Friendly Mode, which allows the cordless handset to automatically adjusts electrical consumption to save power.

This phone is an Optional Additional Handset for expanding your DECT 3 Series (up to 6 handsets). Uniden quality and performance make the DECT 3 Series an outstanding and reliable digital choice.

Suggested Retail: \$39.95  
The DECT 3005 is an additional handset only and works in conjunction with the DECT 30XX series
