Designed and engineered in Japan, Uniden's DECT 3015 + 1 uses the Wireless Friendly DECT technology. This handset derived from cutting-edge American DECT 6.0 Technology the DECT 3015 + 1 Cordless Phone System is nothing but a premium choice. The DECT 3015 + 1 comes equipped with an additional handset to allow you to have another phone in the next room.

These futuristic styled phones are ideally suited to high density living environments and have a comprehensive array of features suitable for any home. They have enhanced talking range, unique styling, a large backlit display LCD display and are Wireless (WiFi) network friendly. The digital duplex speakerphone on the handset makes handsfree communication a breeze.

Another brilliant feature of the DECT 3015 + 1 is the DND (Do Not Disturb Function), this button allows you to mute the ringer on the handset and the base at once. Ideal for young families and shift workers.

The DECT 3015 + 1 also has ECO Friendly Mode, which allows the cordless handset to automatically adjust electrical consumption to save power.

This phone is multi handset capable, allowing up to 6 handsets to be connected to just one phone socket. Uniden quality and performance make the DECT 3015 + 1 an outstanding and reliable digital choice.

Multi Handset Capabilities*

- Up to 6 Handsets using the One Phone Socket (2 Handsets included)
- Intercom / Announce Call Transfer
- Handset Conferencing (2 Handsets + Outside Call) with Optional DECT 3005*

Suggested Retail: \$69.95
The DECT 3005 is available as an additional handset and charging base.
Suggested Retail: \$39.95
