**PREMIUM
DECT**

The Optional Long Range Digital DECT Headset allows you to take hands free communication to a new long range level. This Long Range Headset achieves more than 10 x Talking Range of a traditional Bluetooth Headset Ideal for Small Office and Warehouse situations.

The Premium DECT 3136BT+1 even allows you to pair up to 2 Mobile Phones ensuring that you never an important calls again.

You can now conveniently download your Phonebook from your Mobiles to the Cordless Phonebook with a massive 1400 Phonebook Capacity.

What makes this phone so special is it allows you to call conference both your mobile call and landline call on the one phone. Ideal for modern high-density urban living, the DECT Bluetooth design is derived from cutting edge American DECT 6.0 Technology to deliver excellent call clarity. The phones are also Wireless (WiFi) Network Friendly so they will not interfere with other wireless networks around the home or office - essential for the connected household.

Suggested Retail: \$129.95
