Designed and engineered in Japan, Uniden's DECT 6035 + 1 uses the Wireless Friendly DECT technology and has an integrated digital answering machine so you don't miss those important phone calls. With a stunning piano black finish and a design derived from cutting-edge American DECT 6.0 Technology the DECT 6035 + 1 Cordless Phone System is nothing but a premium choice.

These futuristic styled phones are ideally suited to high density living environments and have a comprehensive array of features suitable for any home. They have enhanced talking range, unique styling, a large backlit display LCD display and are Wireless (WiFi) Network friendly. The digital duplex speakerphone on the handset makes handsfree communication a breeze.

This phone is multi handset capable and comes with an additional handset, allowing up to 6 handsets to be connected to just one phone socket. Uniden quality and performance make the DECT 6035 + 1 an outstanding and reliable digital choice.

Suggested Retail: \$139.95
The DECT 6005 is available as an additional handset and charging base.
Suggested Retail: \$69.95
