Uniden will support the National Breast Cancer Foundation's search for a cure this Mother's Day by donating \$10 from every sale of its limited edition ELITE cordless phone - the ELITE 9036 + 1. Introducing a stylish new era in sophisticated communications, the new Uniden ELITE cordless phones combine contemporary design with the latest in digital phone technology. Presenting stunning luxuriously glossy white finish and the keypad illuminates in bright pink, elegant European styling, the ELITE range are one the slimmest cordless phones on the market.

Introducing a stylish new era in sophisticated communications, the new Uniden ELITE cordless phones combine contemporary design with the latest in digital phone technology. The ELITE range are one of the slimmest cordless phones in the market.

Ideal for modern high-density urban living, the ELITE range's design is derived from cutting edge American DECT 6.0 Technology to deliver excellent call clarity. The phones are also Wireless (WiFi) Network Friendly so they will not interfere with other wireless networks around the home or office - essential for the connected household.

Boasting a variety of comprehensive features, Uniden's ELITE range offer a full colour LCD display, polyphonic ring tones, an integrated digital answering machine and a digital duplex speakerphone on the handset. The new phones are also multi-handset capable, allowing connection of up to six handsets from the one phone line to suit larger households.

Additional features include caller ID, digital phone book to store up to 100 entries and maxi sound for extra loud handset volume. They are also hearing aid compatible.

Uniden quality and performance make the ELITE 9036 + 1 an outstanding and reliable digital choice - second to none when it comes to cordless phones technology.

Suggested Retail: \$199.95
The ELITE 9005 is available as an additional handset and charging base.
Suggested Retail: \$99.95
