Operating Manual PDF

This corded phone offers versatility and style with the added convenience of Advanced LCD & Caller ID* Display - to show you the incoming number and name of who is calling you and also features a Backlit Ice Blue LCD Display.

Offering an Advanced LCD & Caller ID* Display and with the Real Time Clock feature allows you to keep track of the time while you are on that important call. With Visual Message Waiting and New Call Indicator and On Hook Dialling, this is an ideal corded solution for both home and small office use.

This modern designed phone has many great features including Digital Duplex Speakerphone for handsfree communication, 70 Phonebook Memory and Maxi Sound - Extra Loud Handset Volume Control.

The FP 1200 is Operational Even Under Power Failure Conditions** even under those unexpected power failures which is essential or alternatively you can use it as a backup to your cordless phone. This product is designed and engineered by Uniden providing the most superior sound quality that a corded phone has to offer.
