### SMS Corded Speakerphone with Advanced Caller ID

The FP106 is the first SMS\* ready phone in the Australian market today. Imagine the possibility of sending and receiving SMS between landlines and mobiles, well now it's a reality with the new Uniden SMS corded phone.

The FP106 not only gives you the best the market can offer with its SMS capabilities but it also has an Advanced LCD Display including a 6 Line Ice Blue Backlit Full Dot Matrix LCD Display and Multi Angle LCD Display allowing for easy viewing.

This corded phone also has Advanced Alpha Display Caller ID allowing you to see the number and POP ID of the person that is calling you. Other features of the FP106 include a Handsfree Duplex Speakerphone with superior sound quality and a calculator function for those people that need more than just a phone.

Suggested Retail: \$99.
