This corded phone is designed and engineered for tomorrow's digital home. It offers the versatility and style with the added convenience of Advanced LCD with Caller Identification to show you the incoming number and name of who is calling you.

This modern designed phone has many great features including Duplex Speakerphone, Adjustable Earpiece and Speakerphone Volume Control. Offering a Backlit Ice Blue LCD Display and Keypad it allows for easy viewing in all light situations and with its feature of Real Time Clock allows you to keep track of the time while you are on that important call.

The FP205 is operational even under power failure conditions even under those unexpected power failures which is essential or alternatively you can use it as a backup to your cordless phone. This product is designed and engineered by Uniden providing the most superior sound quality that a corded phone has to offer.

Suggested Retail: \$79.99
