

## iGOCAM 850 PLAYER – INSTALLATION INSTRUCTIONS

**Step 1:** Please check the serial number of your unit as shown.

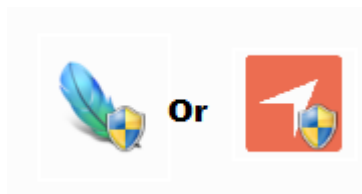

**Step 2:** Download the relevant player according to the serial number of your unit.

From serial numbers [0850H3W00001](#) to [0850H3W05999](#), please [click here to download player](#). (iGO\_CAM\_Player.zip)

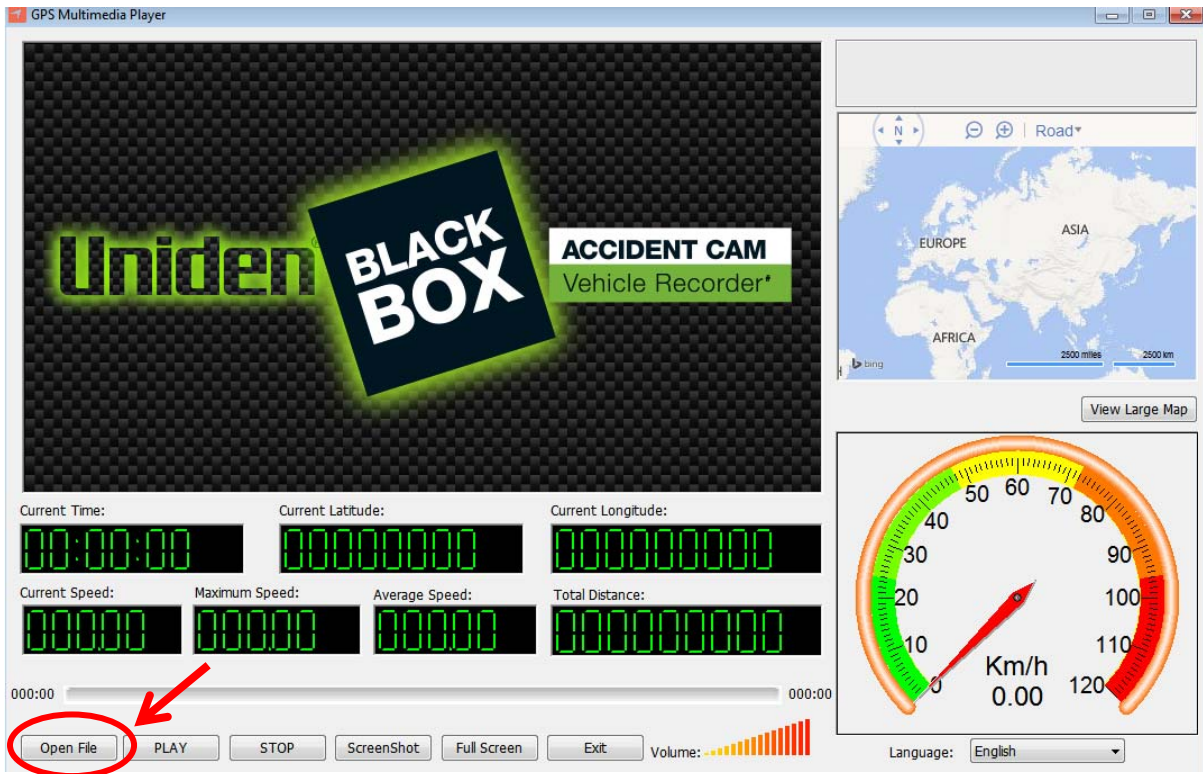

From serial numbers [0850H3W06000](#) and beyond, please [click here to download player](#). (igo850 GPSPPlayer-ga-v2.0-build20150706.rar)

**Step 3:** Unzip the downloaded player to a desired location on your PC. (Example C:/) You will need to install appropriate file compression software in order to do this.

**Step 4:** Locate your unzipped player and click into it. Then, double click the application icon to open the player.

**Step 5:** Click Open File as shown and select the video file you want to view. (Your video file may be stored in SD card or you may have transferred them to your PC.)

**Notes:**

1. Please ensure that your PC is connected to the internet in order to view the geo-tag mapping correctly.
2. Please note the player is not compatible with Mac computer.
