Uniden's Standard Definition

Digital Receiver enables you to receive SD digital TV broadcasts on an analogue television\*. Enjoy free-to-air digital TV.

The SD Set Top Box comes with a Multi-Function Remote Control which allows you to switch channels, record TV and a host of other functions at the touch of a button.

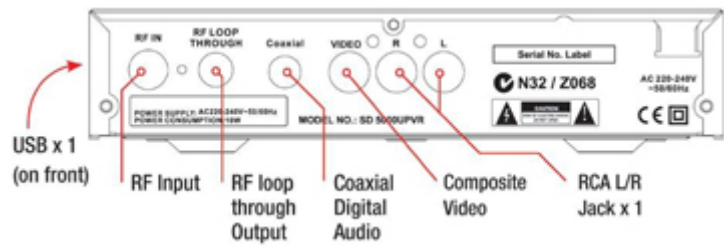

**USB Record** – Record or playback your favourite programs from an external USB hard Drive (not included)

- **On Screen Display (OSD)** – Easy to use Menu system displays key information on screen

- **Electronic Program Guide (EPG)** – with Now & Next and 7 days program guide support
- **Video and Audio Connection Capabilities**

Suggested Retail: \$79.95

\*Note Your TV need to be connect to an antenna that can receive a digital signal. Picture quality and resolution will vary depending on your TV. HD Ready TV's will typically display a better picture than standard analogue TV's.  
Specifications subject to change without notice. See Uniden Website for any changes.
