Deluxe Radar Detector

[PRINT this page](#) [EMAIL a friend](#) [Range Brochure PDF](#) [Operating Manual PDF](#)

This radar detector promotes driving safety. It has been designed and calibrated specifically for New Zealand conditions. It is capable of warning you when you come within range of the radar or laser based detectors currently in use in New Zealand.

The unit uses a 360 laser detection system with super stalker technology. It offers a safety warning and 5 visual and 4 audible alarms. Additionally it has a digital voice, LED display and provides scrolling messages.

Ideal for the vehicle enthusiast that is conscious of ensuring they drive safely and desires a high quality detector with many outstanding features.

Suggested Retail: RRP \$299.95
