Range Overview

The UH012sx is a great 2-Way CB UHF radio. Boosting 40 UHF channels this unit is also a super compact size. Uniden's reliability and experience in UHF makes this unit ideal for the professional who needs to keep in touch.

The UH012sx also boosts CTCSS™ Interference Eliminator allowing you to block out unwanted conversations. It also has Range Extender (Duplex) Capability giving you long range depending on the location of local repeater stations. The UH012sx also has One Touch Instant Channel Recalling to make this unit very user friendly to operate.

The UH012sx is a great entry level product and a must for car to car communication

Suggested Retail: \$299.
