Range Overview

Celebrating 40 Years of Radio Communication Expertise Uniden is proud to realise it's limited edition combined UHF mobile and handheld pack. Comprosing of the UH012sx and the UH047sx this is ideal for those wanting the mobility of a handheld UHF and the performance of the in-car mobile.

The UH012sx is a great 2-Way CB UHF radio. Boosting 40 UHF channels this unit is also a super compact size. Uniden's reliability and experience in UHF makes this unit ideal for the professional who needs to keep in touch. The UH012sx also boosts CTCSS™ Interference Eliminator allowing you to block out unwanted conversations. It also has Range Extender (Duplex) Capability giving you long range depending on the location of local repeater stations. The UH012sx also has One Touch Instant Channel Recalling to make this unit very user friendly to operate.

The UH047sx units have exceptional range in excess of 6+ Kilmometres. Featuring 1 Watt Power and D+ Booster which uses precision matched antennas to deliver superior range and enhance battery efficiencies compared to standard UHF systems. Featuring a compact and ergonomic design this is ideal for hikers and anyone wanting the complete UHF package with headsets. Other features include 40 licence free channels, Range Extender (Duplex) Capability, and Long Life Super Switch giving you extended battery power. The UH047sx also has DCS (Digital Coded Squelch) allowing you choose from 104 alternative digital codes that can be sent with your transmission. The digital code is recognised by the compatible receivers enabling them to receive or block unwanted conversations.

The UH012sx + 1 limited edition pack is the perfect solution and tool for UHF Mobile communication worldwide.

Suggested Retail: \$329.00
