Range Brochure PDF

Operating Manual PDF

The UH041P comes with two UH041 UHF radios as well as a twin desktop charger.

The UH041p units have exceptional range up to 4kms. Featuring 1 Watt Power this unit is twice the power of the conventional 500mW UHF units on the market today giving it extended range in a compact and ergonomic design.

Other features include 40 licence free channels, Range Extender Capability, and Long Life Super Switch giving you extended battery power.

Designed in Japan to offer outstanding performance in virtually all conditions and situations.

Uniden's UH041p is compact enough to take anywhere walking, camping, or at work. With Vox and CTCSS Interference Eliminator, the UH041 is the essential two-way radio. With extended range and crystal clear sound, UH041p is the ultimate in affordable wireless communications.

Suggested Retail: \$199
