[Operating Manual PDF](#)

The UH065sx single pack comes with a UH065sx UHF radio as well as a desktop charger and a speaker microphone. This is a premium pack at its best.

The UH065sx has exceptional range in excess of 10+ Kilometers. Featuring 2 Watt Power and D+ Booster which uses precision matched antennas to deliver superior range and enhance battery efficiencies compared to standard UHF systems. Featuring a new rugged and ergonomic design this is ideal for people in the commercial industry and anyone wanting the complete UHF package with exceptional range. Other features include 40 license free channels, Range Extender (Duplex) Capability, and Long Life Super Switch giving you extended battery power. The UH065sx also has DCS (Digital Coded Squelch) allowing you choose from 104 alternative digital codes that can be sent with your transmission. The digital code is recognised by the compatible receivers enabling them to receive or block unwanted conversations.

Designed in Japan to offer outstanding performance in virtually all conditions and situations. Uniden's UH065sx is compact enough to take anywhere - walking, camping, or at work. With extended range and crystal clear sound, the UH065s is the ultimate in wireless communications.
