

December 2021

Uniden offers gift with purchase on new XTRAK 50 smart UHF handheld radios

Until the end of April 2022, Uniden is offering customers a bonus car kit valued at \$129.95 with the purchase of either of its XTRAK 50 smart UHF radios. Including a charger, magnetic bracket and antenna, this handy accessory optimises the functionality of the newly launched UHF series, which sets a new benchmark in the industry with its innovative one touch instant replay button on the handheld, able to record and replay up to 4 minutes of recently received communications.

The Uniden XTRAK 50 waterproof handheld radio is the ultimate in compact UHF communications with large OLED display, 5-Watt power and a range of up to 17km. The battery also achieves an exceptional performance with a standby time of 30 hours. This makes it the perfect unit for professionals who need a rugged and heavy-duty radio for various conditions.

Users are never out of contact and always able to talk to a friend or colleague while on the road and in remote locations. The XTRAK 50 PRO radio due for release in early 2022 is also app enabled, giving the additional ability to location track on your radio using the XTRAK Bluetooth App.

Running from 1 December to 30 April 2022, customers who purchase any applicable Uniden XTRAK 50 (RRP \$329.95) or XTRAK 50 PRO (\$449.95 RRP) UHF handheld radio will be eligible to redeem a Uniden ACCX50 car kit.

This offer is open to Australian residents who purchase in person, or online, from an authorised participating Australian retail outlet.

Uniden's UHF Accessory Car Kit enables users to charge their UHF handheld radio while on the road, regardless of location. The included magnetic mounted bracket and magnetic antenna allow easy handsfree communication.

Customers can redeem by visiting on the [Unidenpromotions.com](https://www.unidenpromotions.com) website to fill in an official claims form.
