Designed and engineered in Japan, Uniden's limited edition WDECT 2316 combines reliability and performance, all the while lending its support to a worthwhile national cause.

\$5.00 from every specially designed pink cordless phone sold, will be donated to the National Breast Cancer Foundation research fund into finding a cure for breast cancer.

The WDECT 2316 uses the innovative WDECT Wideband Digital Technology, to deliver increased clarity, range and security.

This stylishly fun pink model is packed with an array of convenient features including; Advanced Alpha Display Caller ID, Digital Duplex Speakerphone on Handset and Two-Way Communication Between Handsets Anywhere Without the Base. The WDECT 2316 is also Multi Handset Capable, allowing up to 4 handsets to be connected to just one phone socket.

This product was available during the Mother's Day sales period and is now available for a limited time only. The WDECT 2316 is not only the perfect gift for mum but also the perfect gift in the fight against breast cancer.

Special Retail: \$79.95

The WDECT 2305 is available as an additional handset and charging base.
Suggested Retail: \$79.00
