SMART HOME PHONE

Introducing the newest family member from the XDECT cordless phone series. This new series from Uniden enables you to dial and receive mobile calls on the cordless handset for convenience and versatility as well as charging your Mobile Phone simultaneously.

We've introduced a handy NEW feature to the XDECT 81xx series - Blackout Power Failure[^] Protection Feature. When a Power Failure occurs, the charged handset temporarily supplies power to the base unit. You can then make and receives calls using a handset.

Introducing a stylish new era in sophisticated communications, the new Uniden XDECT® Bluetooth® Series combines the intelligence of Integrated Bluetooth® combined with Stylish, Slim Design, the XDECT® 51xx range is the perfect marriage between "Smartphone" & "Homephone".

DUAL MODE Bluetooth® CORDLESS PHONE

- Dial and Receive calls from your mobile and home landline on the same phone
- Allows you to pair up to 4 Mobile Phones to the Cordless Phone
- Download Phonebook from the Mobile Phones to the cordless phone phonebook with massive 6000 Phonebook Capacity

DOWNLOAD PHONEBOOK from the Mobile Phones

NOTE: iPhone not included

The XDECT® 51xx series even allows you to pair up to 4 Mobile Phones to the phone making it ideal in a large household and small business where the one phone is used.

The XDECT® 51xx series also gives you the ability to download your phonebook from the mobile phones to the cordless phone book with a massive 6000 Phonebook Capacity.

Featuring HD Sound^x the XDECT® 51xx now has Improved Voice Clarity when making and receiving calls. What makes this phone so special is it allows you to call conference both your mobile call and landline call on the one phone.

Ideal for modern high-density urban living, the XDECT® Bluetooth® is designed to deliver excellent call clarity. The phones are also Wireless (WiFi) Network Friendly so they will not interfere with other wireless networks around the home or office - essential for the connected household.

The XDECT® 51xx Series multi-handset capable, allowing connection of up to twelve (12) handsets from the one phone line to suit larger households - making life easier.
